

How to make a stick puppet

You will need: A pencil, card, colouring pencils, scissors, lollipop stick and sticky tape.

1. Draw your design onto a piece of card.

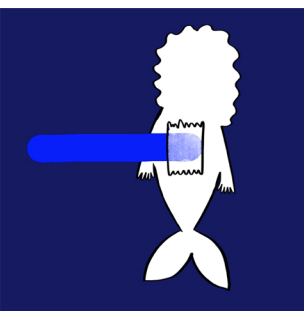

Top tip: We have created templates for you to print off at home or to use as inspiration.

2. Colour in your design.

3. Cut out your design.

4. Tape a lollipop stick to the back of your design. Think about where you want to place the stick to control your puppet. If you don't have a lollipop stick you could use a straw or rolled up piece of paper.

5. Your puppet is ready!
